SUBJECT: UPDATE ON AIR MONITORING PROGRAM

This item is an oral report from our air monitoring consultant, Trinity Consulting, on the City's efforts to monitor hexavalent chromium at various locations in the City. The City Council awarded the contract to Trinity Consulting in September 2021. Air monitors are located at the following locations:

1. City Hall
2. Vermont Avenue, south of Harrison Street
3. Madison Street and Minnesota Avenue
4. Wesley Gaines Elementary School
5. Lincoln Elementary School
6. Garfield Avenue at Jackson Street

Tonight's presentation will provide the City Council with an overview of hexavalent chromium monitoring at these sites.
